

Council Committee Report

To:	Municipal Revitalization and Heritage Advisory Committee
Date:	April 30, 2025
From:	Kyle Phillips, Building Department
Report Number:	Building 2025-16
Subject:	Old Millbrook School – ICIP 2025 Project

Overview of Project

The Township has been approved for an Investing in Canada Infrastructure Program (ICIP) grant in the amount of \$375,266.27. The scope of the project is to upgrade accessibility, replace aging building components such as doors, windows, roofing, mechanicals and flooring restoration. In conjunction with this, an energy audit was conducted on the facility and identified lighting as the main component to be updated to streamlined LED alternatives.

Township staff has been receiving quotations for the identified works and are seeking input from the MRHAC Committee on the works identified.
